

## The University of Michigan Medical School Immunization Requirements

### *Immunization Requirements for Entering Medical Students*

- A. All students must provide proof of completion of the **Hepatitis B** series of immunizations and serologic testing of immunity to Hepatitis B (titer). If Hepatitis B Titer is negative, repeat booster and re-do titer in 4 to 8 weeks.
- B. Students born after 1956 must provide proof of immunization to **MMR** (Measles, Mumps, and Rubella) or are required to have serologic evidence of immunity to MMR (titer).
- C. All students must provide proof of a baseline **PPD Tuberculin** skin test. Students who test positive to PPD or have received the BCG vaccine, must provide results of a QFT blood test dated November 1 or later.
- D. All students must provide proof of 2 Varicella vaccines or serologic evidence of immunity to Varicella (titer).
- E. All students must provide proof of a Tetanus (Td) booster within the past 10 years, and a one-time adult dose of Pertussis (Tdap).
- F. All students will be required to receive an Influenza vaccination each "flu season" in accordance with CDC Healthcare Personnel recommendations.

All entering students must submit a 'Record of Required Immunizations' form signed by a healthcare provider. The documentation must include a record of all completed vaccinations or vaccinations that are in progress at the time of submission. Subsequent, documentation proof for missing immunizations should be provided as vaccination requirements are met.

RECORD OF REQUIRED IMMUNIZATIONS
