Non-STEM	23.2%

* URiM: includes all AMCAS Under-Represented in Medicine categories + Middle Eastern/Arab American descent. The UMMS definition of URiM during our holistic review extends beyond race and ethnicity to include LGBTQ+ applicants and applicants with disabilities. We are developing methodologies to appropriately gather this data from our future class members.

**First Gen is generated from our Secondary question: "Is your generation the first in your family to earn a bachelor's degree?"
