* First Gen is generated from our Secondary question: "Is your generation the first in your family to earn a bachelor's degree?"

** URIM: includes all AMCAS Under-Represented in Medicine categories + Middle Eastern/Arab American descent. The UMMS definition of URIM extends beyond race and ethnicity to include LGBTQ+ and those with disabilities. We are developing methodologies to appropriately gather this data from our future class members.

*** LGBTQIA+ information is obtained from our incoming student survey.
