Net worth means current value minus debt.

Investments include real estate (do not include the home you (parents) live in), trust funds, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, education IRAs, installment and land sale contracts (including mortgages held), commodities, etc. Investment value includes the market value of these investments as of today. Investment debt means only those debts that are related to the investments.

Investments do not include the home you (parents) live in, cash, savings, checking accounts, the value of life insurance and retirement plans (pension funds, annuities, non-education IRAs, Keogh plans, etc.), or the value of prepaid tuition plans.

Business and/or investment farm value includes the market value of land, buildings, machinery, equipment, inventory, etc. Business and/or investment farm debt means only those debts for which the business or investment farm was used as collateral.

Please take note that until we have this information your file cannot be processed any further. Thank you for your attention to this matter.
