2000
seniors and adults with disabilities receive care from MADSA Member Organizations

ADS PARTICIPANTS BY AGE

CAREGIVER STRESS

97%
family caregivers reported less stress

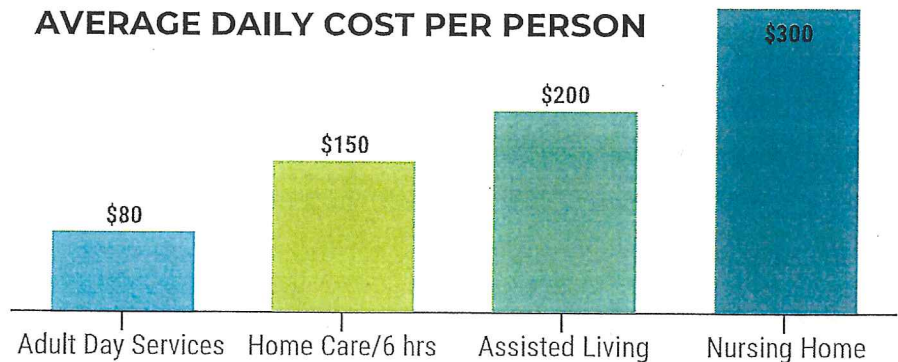

THE U.S. IS RAPIDLY AGING

25%

OF THE POPULATION WILL BE AGE 60 OR OLDER BY 2030.

This has already created a higher demand for assistance with activities of daily living such as bathing and dressing.

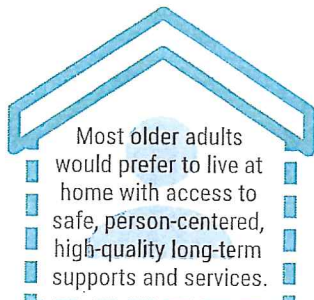

AVERAGE DAILY COST PER PERSON

BY 2020

1.6 million

New direct care worker jobs open and **not enough people** to fill these jobs.

Adult Day Services provides engaging social and therapeutic opportunities while maintaining a high quality level of care and reducing staffing costs.
