

Center for Reproductive Medicine
Genetic Testing of Embryos - Approximate Fee Schedule July 1, 2023 - June 30, 2024

Our ART lab will biopsy the embryo(s) and then send the biopsied samples to the genetic testing lab. Our lab will bill for the biopsy fee listed below. There will be additional fees with the genetic testing lab. For those fees, and the associated CPT codes, you will need to reach out to them directly.

Embryo Biopsy for PGT-A, M or SR (89290/89291) \$1,997
