IVF PREPARATION AND MONITORING – Approximate Fee Schedule July 1, 2023 - June 30, 2024

To assist you in your financial planning, we have prepared an ***ESTIMATED*** fee list for the cost of IVF/ET (In Vitro Fertilization/Embryo Transfer) preparation and monitoring. **This list does not include all the costs of office visits, diagnostic test, laboratory tests, and medications.** All fees are subject to change.

Unfortunately at this time, most insurance carriers do not cover the cost of IVF/ET. **You will be expected to make full pre-payment of the estimated charge(s) prior to the date of the retrieval.** If you have any financial questions regarding fees, please call 734-763-6295 Option 1 and ask for the Financial Counselor.
