7:30 a.m.  Registration and Continental Breakfast

8:15 a.m.  Society Welcome
Michael J. LaRouere, M.D.
President, Michigan Work Society

8:25 a.m.  Department Welcome and Update
Carol R. Bradford, M.D., FACS
Charles J. Krause, M.D., Collegiate Professor of Otolaryngology and Chair, Department of Otolaryngology-Head and Neck Surgery, University of Michigan Medical School
Secretary-Treasurer, Michigan Work Society

8:45 a.m.  2014 Walter P. Work, M.D., Lecturer
Otology and Neurotology at the University of Michigan, 1978-1986
Malcolm D. Graham, M.D., FACS
Professor, Department of Otolaryngology-Head and Neck Surgery, Emory University Medical School

9:00 a.m.  Rehabilitative Options for Single-Sided Deafness: Options, Outcomes and Controversies
H. Alexander Arts, M.D., FACS
Professor, Department of Otolaryngology-Head and Neck Surgery, University of Michigan Medical School
Medical Director, U-M Cochlear Implant Program, University of Michigan Health System
ACU Medical Director, U-M Hearing Rehabilitation Center, University of Michigan Health System

9:45 a.m.  How We Do It: Clinical Signs and Electrocochleography for the Diagnosis of Superior Semicircular Canal Syndrome
Paul R. Kileny, Ph.D.
Professor, Department of Otolaryngology-Head and Neck Surgery, University of Michigan Medical School
Director and Academic Program Director, Adult Audiology and Electrophysiology, Michigan Hearing, University of Michigan Health System
Katherine D. Heidenreich, M.D.
Clinical Assistant Professor, Department of Otolaryngology-Head and Neck Surgery, University of Michigan Medical School

10 a.m.  Break

10:15 a.m.  Evolving Treatment of Large Acoustic Neuromas
Michael J. LaRouere, M.D.
President and Neurotology Fellowship Director, Michigan Ear Institute
Director of Neurosciences, Providence St. Johns Health System
Clinical Professor, Wayne State University
Clinical Professor, William Beaumont/Oakland University
Clinical Professor, Michigan State University
President, Michigan Work Society
10:30 a.m.  The Secret History of Intraoperative Monitoring  
Jack M. Kartush, M.D.  
Professor Emeritus, Michigan Ear Institute  
Clinical Professor of Surgery, Wayne State University  
Clinical Professor of Surgery, Oakland University/Beaumont Hospital

10:45 a.m.  Stapes Mobilization  
Robert T. Sataloff, M.D., DMA, FACS  
Department Chair, Professor, Senior Associate Dean for Clinical Academic Specialties, Department of Otolaryngology, Drexel University College of Medicine

11 a.m.  Studying Microtia: A Research Approach to Craniofacial Microsomia  
Amelia F. Drake, M.D., FACS  
Newton D. Fischer Distinguished Professor of Otolaryngology/Head and Neck Surgery  
Director, UNC Craniofacial Center, School of Dentistry  
Executive Associate Dean of Academic Programs, UNC School of Medicine

11:15 a.m.  International Hearing Health Work in Kenya  
Debara L. Tucci, M.D., MBA, M.S.  
Professor, Department of Surgery, Duke University School of Medicine  
Director, Duke Cochlear Implant Program, Duke Medicine

11:30 a.m.  Lunch

12:30 p.m.  Panel Presentation: Evidence-based Medicine in Meniere’s Disease: Challenges and Opportunities

Moderator:  
Steven A. Telian, M.D.  
John L. Kemink, M.D., Professor or Neurotology, Department of Otolaryngology-Head and Neck Surgery, University of Michigan  
Chief, Division of Otology-Neurotology

Panel Participants:  
Meredith Adams, M.D.  
Assistant Professor, Department of Otolaryngology, Head and Neck Surgery, University of Minnesota Medical School

John K. Niparko, M.D.  
Professor and Chair, Department of Otolaryngology-Head & Neck Surgery, Keck School of Medicine, University of Southern California

H. Alexander Arts, M.D., FACS  
Professor, Department of Otolaryngology-Head and Neck Surgery, University of Michigan Medical School  
Medical Director, U-M Cochlear Implant Program, University of Michigan Health System  
ACU Medical Director, U-M Hearing Rehabilitation Center, University of Michigan Health System

Debara L. Tucci, M.D., MBA, M.S.  
Professor, Department of Surgery, Duke University School of Medicine  
Director, Duke Cochlear Implant Program, Duke Medicine
1:30 p.m. Measuring Milestones in Mastoidectomy
John K. Niparko, M.D.
Professor and Chair, Department of Otolaryngology-Head & Neck Surgery, Keck School of Medicine, University of Southern California

1:45 p.m. Treatment of Benign Paroxysmal Positional Vertigo (BPPV)
John J. Zappia, M.D., FACS
Attending Neurotologist, Michigan Ear Institute
Associate Clinical Professor, Wayne State University
Associate Clinical Professor, William Beaumont/Oakland University

2 p.m. Break

2014 MICHIGAN WORK SOCIETY BUSINESS MEETING

2:15 p.m. President's Update
Michael J. LaRouere, M.D.

2:25 p.m. Secretary-Treasurer’s Update
Carol R. Bradford, M.D.

2:35 p.m. Vice President's Update
Laurence Ho, M.D.

2:45 p.m. Selection of President-Elect
Michael J. LaRouere, M.D.

2:55 p.m. Meeting Close
Michael J. LaRouere, M.D.

The content of this program is targeted for physicians, fellows and residents who participate in the care of otology patients.

The objective of the lectureship is to increase participants’ knowledge about recent developments in the treatment and management of otologic diseases. Participants will be able to implement contemporary techniques for assessment and management of otologic conditions to enhance clinical performance and improve patient outcomes.

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (AC-CME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 4.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
