Laurence Ho, M.D.

The theme of this meeting is facial plastic and reconstructive surgery. The content of this program is targeted for physicians, fellows and residents who specialize in otolaryngology-head and neck surgery. At the conclusion of the program, participants will know and be able to implement contemporary techniques in facial plastic and reconstructive surgery for assessment and management of otolaryngologic conditions to enhance clinical performance and improve patient outcomes.

The University of Michigan is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 5 AMA PR Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
