Welcome to the Center for Facial Cosmetic Surgery

Thank you for choosing the University of Michigan Center for Facial Cosmetic Surgery. We offer a variety of cosmetic and medical services and procedures, and believe it is essential that the cosmetic surgeon you select is well trained and experienced. Our doctors are board-certified in head and neck surgery, and facial plastic and reconstructive surgery. They are also active members of the American Academy of Facial Plastic and Reconstructive Surgery, and faculty of the University of Michigan.

HOW TO PREPARE FOR YOUR VISIT

Complete the enclosed health history questionnaire in advance and bring it with you to your appointment. This will help minimize your wait time. If you wish, you can fax the forms prior to your arrival to (734) 232-4965. Also, please find enclosed a map and directions to our office, as well as additional information regarding our practice. Plan to arrive 15 minutes prior to your visit in order to complete the necessary check-in process.

If possible, please bring with you 3 pictures of yourself from your 20's - 30's. This will help the physician assess your surgical recommendations.

WHAT TO EXPECT DURING THE CONSULTATION

Plan to spend approximately one hour in our office on the day of your appointment.

You will meet with the physician who will make appropriate surgical and/or non-surgical recommendations. They will also communicate the benefits and potential results of the various procedures discussed. If the physician feels you would benefit from an in-depth skin care consultation, they may refer you to see our esthetician. After your conversation and examination, you will be escorted to our patient coordinator. They will advise you regarding the fees associated with the procedures in which you are interested, and provide you with a written quote, including all surgeon, anesthesia, and hospital fees. There will be a \$95 consultation fee due at the end of your visit.

Please call (800) 493-3223 at least 24 hours in advance if you wish to reschedule or cancel your appointment.

Sincerely,
Center for Facial Cosmetic Surgery Physicians and Staff
