ADVANCED WILDERNESS LIFE SUPPORT® COURSE

June 23—25, 2016

**Matthaei Botanical
Gardens
1800 N. Dixboro Road
Ann Arbor, MI 48109**

Advanced Wilderness Life Support Course

Course Description

“Learn the skills to prevent medical problems, reduce suffering, and save lives in non-traditional medical settings”

- Earn your Advanced Wilderness Life Support certification
- Learn the latest practical hands-on wilderness medicine skills for patient assessment, treatment, and evacuation protocols
- Practice your skills in live scenarios with our expert instructors
- Obtain up to 20.5 hours of category 1 CME*
- Receive Wilderness Medical Society Fellowship credits

Course Objectives

- To provide a practical foundation in Wilderness Medicine for medical professionals
- To teach patient assessment and treatment guidelines for life support until definitive care or evacuation is available
- To train the provider in methods for managing medical and traumatic emergencies and urgencies in the wilderness when evacuation is unavailable or unnecessary
- To teach techniques and guidelines for evacuation

Topics Include:

Patient assessment	Wound management
Trauma	Water treatment
Medical emergencies	Hyperthermia, hypothermia, frostbite
Infectious disease	Medical kits
Head, ear, eye, nose, throat, skin	Lightning
Animal & insect bites	HAPE/HACE
Musculoskeletal injuries	

Continuing Medical Education

*The Wilderness Medical Society designates this educational activity for a maximum of 20.5 AMA PRA Category 1 Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the essential areas and policies of the Accreditation Council for Continuing Medical Education through joint sponsorship of the Wilderness Medical Society and AdventureMed. The Wilderness Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

Textbook

The course textbook is available for download at the website www.awls.org once you are registered for the course. You are expected to review the textbook prior to the start of the course.

Clothing and Other Equipment

Southeast Michigan can be quite warm and humid in the summer time. The course will be held rain or shine, so participants should bring rain-gear to account for unexpected precipitation. All equipment and supplies for the hands-on teaching sessions will be provided.

If able, please bring a tarp, sleeping bag, camping back-pack, hiking poles, and a form of rope/webbing for litter making/tourniquet tying. This will enhance your learning experience.

Matthaei Botanical Gardens

The University of Michigan's Matthaei Botanical Gardens is regarded as one of Ann Arbor's greatest nature destinations. Located on Ann Arbor's east side, the Botanical Gardens is a 300 acre property containing numerous formal gardens, a 10,000+ square foot indoor conservatory, and miles of hiking and discovery trails.

Lodging
