REDUCED RATE FOR BOARD REVIEW ATTENDEES

[MEDICINE.UMICH.EDU/DEPT/INTMED](http://MEDICINE.UMICH.EDU/DEPT/INTMED)

### OVERVIEW

The University of Michigan Internal Medicine Certification and Recertification Board Review is designed to offer a comprehensive and practical review of internal medicine to prepare you for the ABIM board exam. The curriculum will cover primary care, every internal medicine sub-specialty, and selected outside specialties such as neurology, dermatology, and psychiatry. An interactive format and audience response system will be used to actively engage participants and provide preparation for passing the examination.

### LEARNING OBJECTIVES

Upon conclusion of this course, participants should be able to implement:

- new knowledge of core topics in internal medicine and its sub-specialties.
- strategies to better diagnose, treat, and prevent conditions for improved patient outcomes.
- become adept working through difficult test questions.
- apply clinical reasoning to uncommon manifestations of common problems.

### WHO SHOULD ATTEND?

- Physicians preparing for the American Board of Internal Medicine Certification or Recertification examination
- Physicians/healthcare providers seeking an intensive review of internal medicine

### ACCREDITATION FOR BOARD REVIEW

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of TBD AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Applications have been submitted to the American Osteopathic Association and to the American Academy of Family Physicians. Determination of credit is pending.

# AMERICAN BOARD OF INTERNAL MEDICINE

## MOC Study Sessions

SATURDAY, JUNE 10, 2017

Maximize your time while attending the Internal Medicine Certification and Recertification Board Review by attending the MOC Study Sessions.

### OVERVIEW

To assist physicians with completing the Self-Evaluation of Medical Knowledge requirement of Maintenance of Certification (MOC), the University of Michigan is hosting two Learning Sessions covering the 2016 Update in Internal Medicine and the 2016 Update in Hospital Medicine Medical Knowledge Modules. Facilitated by U-M faculty members, these learning sessions will be conducted in an interactive group setting. Each question will be discussed openly and the answer to each question will be identified based on group consensus using an audience response system. Following the sessions,

ABIM Board Certified physicians may log into their physician login homepage to download a copy of the modules and submit the answers to ABIM for scoring. Those who complete the modules successfully will receive TBD MOC points per module toward ABIM's Self-Evaluation of Medical Knowledge requirement for Maintenance of Certification.

### WHO SHOULD ATTEND

The ABIM MOC Study Sessions are designed for ABIM Board Certified physicians who are maintaining their certification. Additionally, the learning sessions are open to providers who wish to attend for general knowledge purposes.

You are encouraged to register as soon as you are certain of attending, as we cannot guarantee educational materials if you are not preregistered and prepaid by Friday, May 19, 2017. You are not considered registered until payment is received. Fees include a "Learner's Copy" of the 2016 Update in Internal Medicine and 2016 Update in Hospital Medicine Modules, refreshments, and snacks. Early registration is recommended as space is limited.

In addition to the "Learner's Copy", you must download an "Official" copy of the knowledge module(s) directly from ABIM. Modules can be downloaded by physicians enrolled in MOC at no additional charge via your password-protected "Home Page" in the "Physician Login" at [www.abim.org](http://www.abim.org).

### ACCREDITATION FOR MOC STUDY SESSIONS

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Applications have been submitted to the American Osteopathic Association and to the American Academy of Family Physicians. Determination of credit is pending.

*Space is limited - early registration is recommended.*

### WHY CHOOSE THE UNIVERSITY OF MICHIGAN?

For more than two decades, U.S News and World Report rated thousands of American hospitals in a broad range of adult care specialties. In recent years, they expanded rankings to children's hospitals and rankings for hospitals within each state and major metro areas. Every year, we have been named among the nation's finest.

Only 2.7 percent, or 137 of 5,000 hospitals, ranked in on adult specialty. We ranked in 11.

In the most recent rankings, issued in 2016, we:

- Were ranked the No. 1 hospital in Metro Detroit and all of Michigan.
- Achieved a top-tier national rank in 12 adult specialties and 8 pediatric specialties.
- Achieved the highest rating possible in 9 procedure or conditions including hip replacement and COPD.
- Achieved high performance in three other adult specialties.
