This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been accredited by the Office of Continuing Professional Development, Faculty of Medicine, McGill University for up to 6 Mainpro+ credits.

This program meets the accreditation criteria as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada and has been accredited by the Office of Continuing Professional Development, Faculty of Medicine, McGill University for up to 6 Section 1 credits.

Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme

Each physician should claim only credit commensurate with the extent of their participation in the activity.

**A MCGILL UNIVERSITY
 TEACHING HOSPITAL**
