## BREAKOUT SESSION TOPIC OPTIONS

- Addressing Safety with Veterans and Caregivers in a Home Setting Using Non-Pharmacological Interventions for Dementia-Related Behavioral Disturbances - Thomas Krumroy, CTRS; Saudia Major, PhD; Melissa Preston, MSSA, LISW-S; Mark Price, Psy.D.
- Community Resources and VA Benefits - Nina Abney, MSW; JoLeen Wagner-Felkey, MSW
- Medications - Amy VandenBerg, Clinical Pharmacist

## COURSE OBJECTIVES

At the conclusion of this course, participants will be able to:

- recognize and describe the course of different types of dementia.
- identify practical strategies for the non-pharmacological management of dementia-related behaviors.
- discuss legal issues that arise with the diagnosis and progression of dementia.
- identify issues and solutions regarding the safety of older adults with dementia and their caregivers in the home.
- discuss decision-making for dementia patients and their caregivers regarding driving, including ability to drive, legal issues, cessation of driving, and the roles of the practitioner and the caregiver.

## TARGET AUDIENCE

This conference is intended for physicians, nurse practitioners, physician assistants, nurses, pharmacists, social workers, and other practitioners taking care of older adults with dementia in the community, hospitals, and nursing facilities.

## ABOUT THE VA ANN ARBOR HEALTHCARE SYSTEM

Since 1953, VA Ann Arbor Healthcare System (VAAHS) has provided state-of-the-art healthcare services to the men and women who have so proudly served our nation. We consider it our privilege to serve your healthcare needs in any way we can. More than 65,000 Veterans living in a 15-county area of Michigan and Northwest Ohio utilized the VAAHS in fiscal year 2014.

The main hospital campus located in Ann Arbor serves as a referral center for specialty care and operates 105 acute care beds and 40 Community Living Center (extended care) beds. In addition to this location, we offer services in 3 community-based outpatient clinics. These clinics are located in Jackson and Flint, Michigan as well as Toledo, Ohio.

### MISSION

Honor America's Veterans by providing exceptional healthcare that improves their health and well-being.

### VISION

VA Ann Arbor Healthcare System will continue to be the benchmark of excellence and value in healthcare and benefits by providing exemplary services that are both patient-centered and evidence-based.

This care will be delivered by engaged, collaborative teams in an integrated environment that supports learning, discovery and continuous improvement.

It will emphasize prevention and population health and contribute to the nation's well-being through education, research and service in national emergencies.
