Sixth Biennial Edward J. McGuire Visiting Professorship

Presents

O. Lenaine Westney, MD
Professor at University of Texas
Speaking on

“Postprostatectomy Incontinence in African America Men: Analyzing Disparities in Treatment Outcomes”

Dr. Westney is a Professor in the Department of Urology at the University of Texas MD Anderson Cancer Center. Her areas of clinical expertise are post-prostatectomy incontinence, neurogenic voiding dysfunction, post-radiation urinary tract reconstruction and urinary diversion. In her role as the primary urologic reconstructive surgeon in the Department, she has emphasized clinical and research collaborations with Colorectal, Gynecologic Oncology and Plastics Surgery with the goal of improving management and outcomes of urinary tract structural and functional disorders in patients with pelvic malignancy. She is certified in Female Pelvic Medicine and Reconstructive Surgery and directs the MDACC Urinary Tract and Pelvic Reconstruction fellowship program. Additionally, she has authored articles and chapters dealing with the management of incontinence in high-risk patient populations. Her current interest research focuses on the long-term sexual and voiding dysfunction in colorectal cancer patients, the progression of voiding symptoms in hypoestrogenic states and post-prostatectomy urinary complications. Dr. Westney participates as a member and officer of local, national and international surgical societies.

8:30 a.m. - 2:00 p.m.
Friday, May 17, 2019
Danto Auditorium, Cardiovascular Center
1500 East Medical Center Drive, Ann Arbor, Michigan, 48109
For additional information or to RSVP, please contact Rachel Stout at 734-232-4881 or rstalter@med.umich.edu

Target audience - urologists within the University of Michigan Health System as well as within the State of Michigan

Following this activity, participants will understand and be able to implement into daily practice the following:

- Discuss the overall contributors and modifiable risk factors in postprostatectomy incontinence.
- Assess the disparity in outcomes based on demographic characteristics and co-morbidities.
- Analyze the reasons for the differences in continence recovery between different risk groups.

8:30-9:00 am	Continental Breakfast
9:00-10:00 am	“Postprostatectomy Incontinence in African America Men: Analyzing Disparities in Treatment Outcomes”
O. Lenaine Westney, MD Professor at University of Texas
10:00-11:20 am Case Presentations/Research Lectures in Reconstructive Urology and Neurourology
Urology Residents and Faculty
11:20-11:35 am Break
11:35 am-1:00 pm Case Presentations/Research Lectures in Reconstructive Urology and Neurourology
Urology Residents, Fellows and Faculty
1:00-2:00 pm Lunch

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity of a maximum of 3.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
