

## 2021 John W. Duckett Jr., MD Pediatric Urology Lectureship

Friday, August 27, 2021  
9:00 AM - 12:00 PM

Michigan League Ballroom  
911 N. University Ave., Ann Arbor, MI 48104

Light Breakfast and Registration at 8:30 AM  
Luncheon immediately following lectures

### **Aseem Shukla, MD, FAAP**

Endowed Chair and Director of Minimally Invasive Surgery, Attending Surgeon, Division of Urology, Children's Hospital of Philadelphia, Professor of Urology in Surgery at Perelman School of Medicine at the University of Pennsylvania

### ***"The Duplex Anomaly: Arguments for a Lower Tract Approach"***

***Target audience – urologists and general pediatric providers within the University of Michigan Health System as well as within the state of Michigan.***

Following this activity, participants will understand and be able to implement into daily practice the following:

- Understand common associated anomalies with a duplex kidney
- Discuss evidence-based management options for ureterocele and ectopia

To register, or for more information, contact Lindsay Carlson at (734) 615-1260 or [linskry@med.umich.edu](mailto:linskry@med.umich.edu)

**Accreditation and Credit Designation statement:** The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 2.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
