

2021 - 2022 Mentors

Mentor	Department
David Antonetti	Roger W Kittendorf Research Professor of Ophthalmology and Visual Sciences Professor of Molecular and Integrative Physiology
Peter Arvan	William K and Delores S Brehm Professor of Type 1 Diabetes Research Professor of Internal Medicine, MEND Professor of Molecular and Integrative Physiology
Dave Bridges	Assistant Professor of Nutritional Sciences
Charles Burant	Dr Robert C and Veronica Atkins Professor of Metabolism Professor of Internal Medicine, MEND Professor of Molecular and Integrative Physiology Director of the A Alfred Taubman Medical Research Institute Professor of Nutritional Sciences
Roger Cone	Vice Provost and Director of the Biosciences Initiative Professor of Molecular and Integrative Physiology Mary Sue Coleman Director, Life Sciences Institute Asa Gray Collegiate Professor of Life Sciences Institute Professor of Literature, Science, and Arts Molecular/Cellular/Developmental Biology
Monica Dus	Assistant Professor of Molecular, Cellular and Developmental Biology
Eva Feldman	Russell N DeJong Professor of Neurology
Carrie Ferrario	Associate Professor of Pharmacology
Thomas Gardner	Professor of Ophthalmology and Visual Sciences Professor of Molecular and Integrative Physiology Professor of Internal Medicine, MEND
Jeffery Horowitz	Professor of Kinesiology
Ken Inoki	Roger C Wiggins Collegiate Professor of the Life Sciences Research Associate Professor Life Sciences Institute Associate Professor Molecular and Integrative Physiology Associate Professor of Internal Medicine, Nephrology
Robert Kennedy	Hobart H Willard Distinguished University Professor of Chemistry Chair, Department of Chemistry, College of Literature, Science, and Arts Professor of Pharmacology Professor of Macromolecular Science and Engineering
Jiandie Lin	Bradley M Patten Collegiate Professor in the Life Sciences Research Professor Life Sciences Institute Professor of Cell and Developmental Biology
Malcolm Low	David F Bohr Collegiate Professor of Physiology Professor of Molecular and Integrative Physiology Professor of Internal Medicine, MEND
Carey Lumeng	Frederick GL Huetwell Professor for the Cure and Prevention of Birth Defects Associate of Pediatrics Associate Professor of Molecular and Integrative Physiology
Ormond MacDougald	John A Faulkner Collegiate Professor of Physiology Professor of Molecular and Integrative Physiology Professor of Internal Medicine, MEND
Martin Myers	Marilyn H Vincent Professor of Diabetes Research Director of the Michigan Diabetes Initiative Professor of Internal Medicine, MEND Professor of Molecular and Integrative Physiology

Mentor	Department
David Olson	David Murray Cowie MD Research Professor of Pediatrics and Communicable Diseases Associate Professor of Pediatrics Associate Professor of Molecular and Integrative Physiology
Stephen Parker	Associate Professor Computational Medicine and Bioinformatics Associate Professor of Human Genetics
Subramaniam Pennathur	Norman Radin Professor of Nephrology Professor of Internal Medicine, MEND Professor of Molecular and Integrative Physiology
Ling Qi	Professor of Molecular and Integrative Physiology Professor of Internal Medicine, MEND
Liangyou Rui	Louis G D'Alecy Collegiate Professor of Molecular and Integrative Physiology Professor of Internal Medicine, Gastroenterology
Leslie Satin	Professor of Pharmacology Professor of Internal Medicine, MEND
Santiago Schnell	John A Jacquez Collegiate Professor of Physiology Interim Chair, Department of Molecular and Integrative Physiology Professor of Molecular and Integrative Physiology Professor of Computational Medicine and Bioinformatics
Randy Seeley	Henry King Ransom Professor of Surgery Professor of Internal Medicine, MEND Professor of Nutritional Sciences
Kanakadurga VNL Singer	Assistant Professor of Pediatrics Assistant Professor of Molecular and Integrative Physiology Associate Director Academic Programs, Immunology Graduate Program
Scott Soleimanpour	Assistant Professor of Internal Medicine, MEND
Jun Wu	Research Assistant Professor, Life Sciences Institute Assistant Professor of Molecular and Integrative Physiology
Lei Yin	Associate Professor of Molecular and Integrative Physiology, Associate Professor of Internal Medicine, MEND
