Urology, University of Alabama at
Birmingham

***"Health Care Transition for
Pediatric Surgical Diseases"***

Target audience – urologists and general pediatric providers within the University of Michigan Health System as well as within the state of Michigan.

Following this activity, participants will understand and be able to implement into daily practice the following:

- Describe ideal transition from pediatric to adult health care for pediatric surgical specialties
- Consider barriers to successful transition
- Promote medical and educational self – advocacy

To register, or for more information, contact Lindsay Carlson at (734) 615-1260 or linskry@med.umich.edu

Accreditation and Credit Designation statement: The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 2.5 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
