

## MIP Graduate Student Request for Travel Funds

The MIP Graduate Education Fund has funds available to help support graduate student travel to scientific meetings and courses. To be eligible, students must have applied for a [Rackham Travel Grant](#) (limit one per year per student). Typically, MIP will support up to one request per student per year, but second applications will be considered depending on fund availability. Priority will be given to students who are presenting but all attending meetings/courses.
