| 3:00-3:15 | <b>Parth Patel, MD</b><br>Spatial Transcriptomic Profiling of Prostate Cancer Reveals Zone Specific Androgen Receptor Signaling and Immune Infiltration |
| 3:15-3:55 | <b>Keynote Speaker: Dr. Julie Lumeng, MD</b><br>Launching a Fulfilling Career in Research   |
| 3:55-4:10 | <b>Break</b>  |

## RESIDENT RESEARCH PRESENTATIONS

- 4:10-4:15 **Brandee Branche, MD**  
Invasive Group A Streptococcus of the Penis and Scrotum: A Rare Case of Toxic Shock Syndrome
- 4:15-4:20 **Jake Claflin, MD**  
Characteristics of Inpatient and Emergency Department Urology Consults for Gross Hematuria
- 4:20-4:25 **Renee Cole, DO**  
Epididymectomy is an Effective Treatment for Chronic Epididymal Pain
- 4:25-4:30 **Kyle Johnson, MD**  
Development of a Viable, Consumer Device to Support Existing Medical Device Hardware
- 4:30-4:35 **Kathryn Marchetti, MD**  
Feasibility of Extended Remote Patient Monitoring Following Radical Cystectomy
- 4:35-4:40 **Roberto Navarrete, MD**  
Prostatectomy After Gender Affirming Vaginoplasty for a Transgender Woman with Prostate Cancer
- 4:40-4:45 **Ben Pockros, MD, MBA**  
No Pager No Problems? Analysis of Clinical Messages Received By Urology Residents
- 4:45-4:50 **Javier Santiago, MD**  
Risk of UTI after Renal Transplant is Elevated in Anuric Patients
- 4:50-4:55 **Shavano Steadman, MD**  
Retrospective Analysis of prostate cancer management and outcomes in transplant patients
- 4:55-5:00 **Danny Triner, MD, PhD**  
Assessing Management Patterns of Lymph Node Positive Prostate Cancer after Radical Prostatectomy within a Statewide Quality Improvement Consortium
- 5:00-5:05 **Apoorv Dhir, MD**  
Is Routine Antibiotic Prophylaxis Required for Transperineal Prostate Biopsy?
- 5:05-5:20 **Break**
- 5:20-5:30 **Resident Research Award Announcements**
- 5:30-5:35 **Concluding Remarks**
- 5:35-6:30 **Cocktail Hour**

## 2023 Urology Resident Research Day

Sponsored by:

### 2023 Urology Resident Research Day (Mon, 4/24/23)

#### Lecture(s):

**Launching a Fulfilling Career in Research and High-Value  
Mentorship for Medical Trainees**

*Ranjith Ramasamy*

*Julie Lumeng, MD*

**April 24, 2023**

12:00 - 6:30 PM

*Palmer Commons*

Scan the QR code to register your attendance. \* Please Note: Attendance must be registered within 6 months to be awarded credit. To complete an evaluation for this session, please login to MICME and go to the Claim Credits and View Certificates on the Credit Center card. Locate the activity under Awarded Credits and complete the evaluation.

#### Financial Disclosure Information:

*There are no relevant financial relationships with ACCME-defined commercial interests to disclose for this activity.*

#### Accreditation and Credit Designation:

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Michigan Medical School designates this live activity for a maximum of 4.00 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

\*For iOS devices: Open the phone's camera app and hover over the code. When the notification box appears, tap on it to open the credit claiming screen.

For Android Devices: A QR reader is required. Visit the Google Play store to download a QR app of your choice. Follow the scanning directions provided by the app.

If you are unable to scan the code, please login to MICME. Hours of participation can also be entered on the Claim Credits & Print Transcripts page.

For more information about this activity, contact Leslie Hamilton at [lasim@umich.edu](mailto:lasim@umich.edu), or visit [www.micme.medicine.umich.edu](http://www.micme.medicine.umich.edu).
