

The Michigan Neuroscience Institute
Postdoctoral Fellows Community presents:

2024 ACADEMIC NEUROSCIENCE CAREER PANEL

TUESDAY, APRIL 30 | 12:00 P.M.

MBNI Building, Waggoner Conference Room

*Are you a postdoctoral fellow or Ph.D. student interested in a career in academic neuroscience?
Join us to hear from four MNI early career investigators as they discuss their own personal
journeys and how they ended up as a University of Michigan faculty member.*

Panel Members

DR. SARAH KARGBO-HILL
*Assistant Professor, Molecular,
Cellular, & Developmental Biology*

DR. CHRISTIAN BURGESS
*Assistant Professor, Molecular &
Integrative Physiology*

DR. ANNE DRAELOS
*Assistant Professor, Biomedical
Engineering and Computational
Medicine & Bioinformatics*

DR. JOANNA MATTIS
Assistant Professor of Neurology
