STATE OF THE ART: KIDNEY AND PANCREAS TRANSPLANTATION
THURSDAY, OCTOBER 18, 2018
Embassy Suites by Hilton
Livonia, MI
COURSE OBJECTIVES

The goal of this course is for the following objectives to be understood and utilized within your practice:

- True risk of transmission of infection associated with increased risk donors
- Prescribe opioids using evidence based recommendations for acute pain
- Role of acute prescribing in the opioid epidemic in the U.S.
- Identify non-narcotic strategies following kidney donation and transplant
- Components of an enhanced recovery after surgery program
- Assessment strategies and patterns of chronic opioid use utilizing the MAPS/NarxCare report
- Case studies of potential transplant patients with chronic opioid use
- Treatment options for patients who misuse/overuse opioids
- In what way the age of the donor impacts how kidneys are allocated
- How to evaluate donor options for pediatric and elderly transplant candidates
- Unique aspects of young adult patients
- Importance of frailty assessment during the kidney transplant evaluation
- Recognize the prevalence of frailty and cognitive impairment among kidney transplant candidates and recipients
- Adverse events associated with frailty and cognitive impairment
- Strategies for improving outcomes in medically frail transplant candidates
- Benefits of transplantation of children with end-stage kidney transplantation
- Key differences between adult and pediatric kidney transplantation

WHO SHOULD ATTEND

This course will be of particular interest to nephrologists, primary care physicians, dialysis center staff, nurses, social workers, physician assistants, nurse practitioners and other health care professionals who care for kidney and pancreas transplant candidates and recipients.

GENERAL INFORMATION

Date: October 18, 2018, registration: 7:30 a.m.; course adjourns: 3:50 p.m.

Registration: Registration fees include refreshments and educational materials. You are urged to register as soon as you are certain of attending as we cannot guarantee educational materials for participants who are not preregistered by October 4, 2018.
