Embryo Cryopreservation PROCEDURE - Approximate Fee Schedule July 1, 2023 - June 30, 2024

To assist you in your financial planning, we have prepared an ***ESTIMATED*** fee list for the cost of IVF/ET (invitro fertilization/embryo transfer). **This list does not include all the costs of office visits, diagnostic tests, laboratory tests, and medications.** All fees are subject to change.

Unfortunately, most insurance carriers do not cover the cost of IVF/ET. **You are expected to make your pre-payment of the estimated charge(s) by the date of the retrieval.** If you have any questions, please call 734-763-6295 Option 1 and ask for the Financial Counselor.
