

Center for Cell Plasticity and Organ Design

CPOD SEMINAR

Tuesday, March 23, 2021 4:00 pm

Zoom Link: <https://umich-health.zoom.us/j/92442599246>

*“Coming together in challenging times:
Multicellular assembly in engineered microenvironments”*

Brendon M. Baker, PhD

Assistant Professor
Biomedical Engineering
University of Michigan

Co-Sponsored By

Faculty Host

Ariella Shikanov, PhD, Associate Professor of Biomedical Engineering

For more information email Tamika Mohr, Center Administrator at Organogenesis@umich.edu
