

MEND - Clinical Quality Overview

Division Clinical Units and Leads	Quality Committees and Roles
Division Chief: Peter Arvan Division Administrator: Olushola Samuel Quality Council Representative: Jennifer Wyckoff, Nazanene Esfandiari Service Chief: Nazanene Esfandiari Domino Farms ACU Medical Director: Jennifer Wyckoff	<i>Quality Groups and Committees</i> <ul style="list-style-type: none"> UMHS Adult Diabetes Clinical Transformation Project <i>Institutional Quality Roles with Division Lead</i> <ul style="list-style-type: none"> Diabetes Quality Improvement Committee Population Health Management Committee
Highest Volume Conditions	Division Specific Specialty Conditions
<ol style="list-style-type: none"> Diabetes Thyroid Disease 	<ol style="list-style-type: none"> Diabetes Thyroid disease Neuroendocrine tumors Osteoporosis
Choosing Wisely – Selected Measures	Quality Improvement Priorities
<ol style="list-style-type: none"> Avoid routine multiple daily self-glucose monitoring in adults with stable type 2 diabetes on agents that do not cause hypoglycemia. Don't routinely measure 1,25-dihydroxyvitamin D unless the patient has hypercalcemia or decreased kidney function. Don't routinely order a thyroid ultrasound in patients with abnormal thyroid function tests if there is no palpable abnormality of the thyroid gland. Don't order a total or free T3 level when assessing levothyroxine (T4) dose in hypothyroid patients. Don't prescribe testosterone therapy unless there is biochemical evidence of testosterone deficiency. 	<ol style="list-style-type: none"> UMHS Adult Diabetes Clinical Transformation Project BPA's: A1c, foot exams, pneumococcal vaccine, and BP <140/90 Initial phase of developing BP Clinic for patients not meeting BPA metric
Measurement – Peer Review Metrics	Measurement – Registries and Other Data
<ul style="list-style-type: none"> Patients who were admitted to the hospital with hypoglycemia, DKA or hyperosmolar coma (periodic, not a regular report) <u>Diabetes</u> UM Quality Performance Trending Reports	Diabetes Registry
