

3rd CopMich Urology Symposium 2019

August 22nd-24th 2019
Hotel Hesselet
Christianslundsvej 119
DK-5800 Nyborg

Presented by the CopMich Urology Core Unit

A continuation of an "old" collaboration between the Department of Urology, University of Michigan and the Department of Urology, Herlev and Gentofte Hospital & University of Copenhagen

Sponsors:

CopMich Urology Core Unit greatly appreciates the support from:

Scientific Program:

Thursday August 22nd

1.00-1.10pm

Opening of the 3rd CopMich Symposium

Dana A. Ohl, MD (US) and Jens Sønksen, MD, DMSc (DK)

1.10-1.55pm

State of the art – Benign prostatic hyperplasia

Moderators: Anne P. Cameron, MD (US) and Peter Østergren, MD, PhD (DK)

-12min

- Minimally invasive BPH procedures (Mikkel Fode, MD, PhD (DK))

-12min

- State of the art on enucleation surgery for BPH (John Wei, MD (US))

-12min

- Managing complications from BPH surgery (Chad S. Ellimoottil, MD (US))

-9min

- Questions

1.55-2.40pm

State of the art – Clinical health promotion in Urology

Moderators: Susanne Quallich RN, BSN, PhD (US) and Henrik Jakobsen, MD (DK)

-12min

- Strategies in patient-centered prevention in clinical practice (Mette L. K. Schmidt, MA (DK))

-12min

- Benefits of a structured exercise program in men with advanced prostate cancer (Peter B. Østergren, MD, PhD (DK))

-12min

- Experience with “March madness vasectomy” (Dana A. Ohl, MD (US))

-9min

- Questions

2.40-3.30pm

Coffee break

3.30-4.15pm

State of the art – Urothelial cancer

Moderators: Ganesh Palapattu, MD (US) and Michael Vangedal, MD (DK)

-12min

- Novel biomarkers to improve risk stratification in NMIBC (Arvin George, MD (US))

-12min

- Challenges in the treatment of T1 bladder tumors, where do we stand? (Juan Luís Vasquez, MD, PhD (DK))

-12min

- UTUC: Nephron-sparing approaches and outcomes in upper tract urothelial carcinoma (Lars Lund, MD, PhD (DK))

-9min

- Questions

4.15-4.45pm

State of the art – Spina Bifida

Moderators: John Park, MD (US) and Peter Hjort, MD (DK)

-12min

- The role of the urologist in the care of pediatric spina bifida patients (Yazan F. H. Rawashdeh, MD, PhD (DK))

-12min

- Spina bifida patients – transition to adult care (Kate Kraft, MD (US))

-6min

- Questions

4.45-5.05pm

Debate – Circumcision

Moderators: Dana A. Ohl, MD (US) and Hans Jørgen Kirkeby, MD, DMSc (DK)

- Circumcision is safe and has health benefits (David A. Bloom, MD (US))

- Circumcision is unnecessary and should not be done routinely (Yazan F. H. Rawashdeh, MD, PhD (DK))

Format: 5 min presentation from each presenter, 2 min

rebuttal from each presenter, 6 min discussion and questions

	<u>5.05-5.25pm</u>	Debate – Adolescent varicocele and testicular function: operative intervention vs. surveillance Moderators: Kate Kraft, MD (US) and Christian Fuglesang S. Jensen, MD (DK) - Fix it (John Park, MD (US)) - Surveillance (Ulla Joensen, MD, PhD (DK)) Format: 5 min presentation from each presenter, 2 min rebuttal from each presenter, 6 min discussion and questions
	<u>6.30pm</u>	100-year Anniversary Michigan Reception, Hotel Hesselet, Nyborg
	<u>10.30pm</u>	Bus transport to Hotel Knudsens Gaard (optional)*
<i>Friday August 23rd</i>	<u>8.15am</u>	Bus transport from Hotel Knudsens Gaard (optional)*
	<u>9.00-9.45am</u>	State of the art – Urology and pain Moderators: Anne P. Cameron, MD (US) and Peter B. Østergren, MD, PhD (DK)
	-12min	- Risk factors for chronic pain after urological surgery (Susanne Quallich, RN, BSN, PhD (US))
	-12min	- Risk factors for opioid abuse after urological surgery (Michael Vangedal, MD (DK))
	-12min	- Urologic pain management – what do residents need to know (Maiken Bjerregaard, MD (DK))
	-9min	- Questions
	<u>9.45-10.30am</u>	State of the art – Prostate cancer detection Moderators: Arvin George, MD (US) and Henrik Jakobsen, MD (DK)
	-12min	- Novel biomarkers in prostate cancer detection (Todd Morgan, MD (US))
	-12min	- Biparametric MRI for detection of prostate cancer prior to initial biopsy (Lars Boesen, MD, PhD (DK))
	-12min	- In-office ultrasound-guided transperineal prostate biopsy: diagnostic performance, patient tolerance and infectious complications (Brian Stork, MD (US))
	-9min	- Questions
	<u>10.30-11.05am</u>	Coffee break
	<u>11.05-11.50am</u>	State of the art – Controversies in prostate cancer Moderators: Todd Morgan, MD (US) and Lars Boesen, MD, PhD (DK)
	-12min	- Screening for prostate cancer (Peter B. Østergren, MD, PhD (DK))
	-12min	- Intermediate risk PCa on surveillance and confirmatory testing in active surveillance (Arvin George, MD (US))
	-12min	- Role of surgery in oligometastatic disease (Henrik Jakobsen, MD)
	-9min	- Questions
	<u>11.50-12.40pm</u>	Lunch
	<u>12.40-1.00pm</u>	Debate – Premature ejaculation – medical therapy vs. behavioral therapy Moderators: Susanne Quallich, RN, BSN, PhD (US) and Alexander Nolsøe, MD (DK)

- Medical therapy (Mikkel Fode, MD, PhD (DK))
 - Behavioral therapy (Annamaria Giraldi, MD, PhD, (DK))
- Format: 5 min presentation from each presenter, 2 min rebuttal from each presenter, 6 min discussion and questions

1.00-1.45pm

State of the art – Pelvic floor issues

Moderators: John Wei, MD (US) and Lars Lund, MD, PhD (DK)

- 12min - Anterior vaginal wall masses – a visual atlas (Anne P. Cameron, MD (US))
- 12min - Surgical management of the overactive bladder (Hans Jørgen Kirkeby, MD, DMSc (DK))
- 12min - Medication and Botox in the treatment of the overactive bladder (Anne P. Cameron, MD (US))
- 9min - Questions

1.45-2.25pm

Special session – Patient Information Programs

Moderator: Jens Sønksen, MD, DMSc (DK) and Hendrik Van Poppel, MD, PhD (BE)

- 10min - The EAU Patient Information Program – reliable information for urological patients (Hendrik Van Poppel, MD, PhD (BE))
- 10min - EAU Patient Information example – condition: bladder cancer (Juan Luis Vasquez, MD, PhD (DK))
- 10min - EAU Patient Information example – treatment: cystectomy (Ulla N. Joensen, MD, PhD (DK))
- 10min - Animated narratives in a digital platform – a new way to inform radical prostatectomy patients (Dennis Michael Hansen (DK))

2.25-2.50pm

Coffee break

2.50-3.10pm

Special session – Honorary lecture: David Alan Bloom,

Moderator: Dana A. Ohl, MD (US) and Jens Sønksen, MD, PhD, DMSc (DK)

- Finding equanimity in a world of TMI (David A. Bloom, MD (US)) (20min)

3.10-3.45pm

State of the art – Urology and psychosexual health

Moderators: Dana A. Ohl, MD (US) and Mikkel Fode, MD, PhD (DK)

- 12min - Medical management of sexual problems after cancer treatment (Dana A. Ohl, MD (US))
- 12min - Non-medical management of sexual problems after cancer treatment – when to refer (Annamaria Giraldi, MD, PhD (DK))
- 11min - Questions

3.45-4.20pm

Coffee break

4.20-4.35pm

Special session – Adverse childhood experiences and physician burnout – Denmark vs. USA

Moderator: Annamaria Giraldi, MD, PhD, (DK)

- Adverse childhood experiences and physician burnout (Brian Stork, MD (US)) (15min)

4.35-5.20pm

Research from our young brains (4min presentation and 2min discussion)

Moderators: Brian Stork, MD (US) and Juan Luis Vasquez, MD, PhD (DK)

“Best presentation prize” sponsored by Nature Reviews Urology

- 6min - Herlev Enzalutamide versus Abiraterone Trial (HEAT) (Klara K. Ternov, MD (DK))
- 6min - Can intraoperative nerve monitoring predict an improved functional outcome after robot-assisted radical prostatectomy (Alexander Nolsøe, MD (DK))
- 6min - Patient satisfaction and pain management following robot assisted radical prostatectomy: USA vs. Denmark (Frederik M. Jakobsen (DK))
- 6min - Outpatient diode laser treatment of intermediate risk NMIBC (Marie Schmidt Erikson, MD (DK))
- 6min - T1 bladder cancer – The Danish approach (Erik Hansen, MD (DK))
- 6min - Danish pigs – great for bacon and urological research (Anna Krarup Keller, MD (DK))
- 6min - Scheduling appointments for post vasectomy specimen checks has no impact on compliance (Christian Fuglesang S. Jensen, MD (DK))

5.30pm Bus transport to Hotel Knudsens Gaard (optional)*

7.30pm Bus transport from Hotel Knudsens Gaard (optional)*

8.00pm CopMich 2019 Gala Dinner, Hotel Hesselet, Nyborg

00.00am Bus transport to Hotel Knudsens Gaard (optional)*

Saturday August 24th

8.15am Bus transport from Hotel Knudsens Gaard (optional)*

9.00-9.20am Special session – Telehealth in urology practice

Moderator: Klara Kvorning Ternov, MD (DK)

- Developing telemedicine tools to bring specialty care closer to home (Chad Ellimootil, MD (US)) (20min)

9.20-10.05am State of the art – Stone Disease

Moderators: Chad Ellimootil, MD (US) and Lars Lund, MD, PhD (DK)

- 12min - Evaluation of hematuria (Jan Jepsen, MD, PhD (DK))
- 12min - Bladder stones – tricks and tips (John Wei, MD (US))
- 12min - An update on the surgical management of kidney stones (Lene H. Bigum, MD (DK))
- 9min - Questions

10.05-10.50am State of the art – Fertility preservation in boys with cancer

Moderators: John Park, MD (US) and Jens Sønksen, MD, PhD, DMSc (DK)

- 12min - Fertility preservation in pre- and post-pubertal boys (Christian Fuglesang S. Jensen, MD (DK))
- 12min

-12min	- Auto-transplantation of testis tissue to restore spermatogenesis (Kate Kraft, MD (US)) - The artificial testis – in vitro maturation of sperm cells (Lihua Dong, PhD (DK))
-9min	- Questions
<u>10.50-11.30am</u>	Coffee break
<u>11.30-12.15pm</u>	State of the art – Hypospadias Moderators: David A. Bloom, MD (US) and Jan Jepsen, MD, PhD (DK)
-12min	- Hypospadias – an isolated genital condition or part of the testicular dysgenesis syndrome? (Ulla N. Joensen, MD, PhD (DK))
-12min	- Optimal management of hypospadias (Peter Hjort, MD (DK))
-12min	- Penile curvature and surgical complications in hypospadias repair (John Park, MD (US))
-9min	- Questions
<u>12.15-12.45pm</u>	Special session – Current CopMich projects (30min) Moderator: Brian Stork, MD (US) and Christian Fuglesang S. Jensen, MD (DK)
-10min	- CopMich resident exchange program – experiences and research (Kasper Berg, MD, PhD (DK))
-10min	- A tale from the first CopMich Symposium (Michelle Mistry, MD (DK))
-10min	- Experiences and research results from Michigan 2019 (Frederik M. Jakobsen, stud.med. (DK))
<u>12.45-12.50pm</u>	Closing of the 3rd CopMich Symposium Dana A. Ohl, MD (US) and Jens Sønksen, MD, DMSc (DK)
<u>12.50pm</u>	Farewell grab-and-go lunch

*** Bus transport between Hotel Hesselet and Hotel Knudsens Gaard is an optional service for the delegates staying at Hotel Knudsens Gaard.**
