

Monthly MNI Seminar - Data Blitz Presentation

Thursday December 9th, 3:00-4:00 pm

Request Zoom Link: snoroozi@umich.edu

Monica Dus, Ph.D.

*Dept.: Molecular, Cellular, and
Developmental Biology*

Title: Food as Information: Nutriepigenetics
Meets Neuroscience

Ada Eban-Rothschild, Ph.D.

Dept.: Psychology

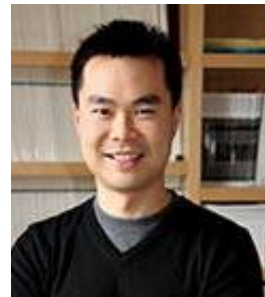

Title: Combining ethology and neurobiology for
studying sleep

Shigeki Iwase, Ph.D.

Dept.: Human Genetics

Title: Neuron-specific histone demethylase
complex

Kenneth Kwan, Ph.D.

*Dept.: Michigan Neuroscience Institute and
Human Genetics*

Title: Chromatin regulation of cortical development
and circuit wiring

We invite the greater University of Michigan Neuroscience community to join us and participate in our newly launched MNI seminar series. These will occur the second Thursday of each month, from 3:00 – 4:00 PM. We intend to feature multiple data blitz presentations at each seminar, so that neuroscientists campus wide can learn more about each other's science.
