The University of Michigan Orthopaedic Surgery Visiting Professor Distinguished Lectureship Series brings timely, important education to orthopaedic surgeons and other providers involved in the care of musculoskeletal patients. Prominent specialists and leaders from across the nation will update you on the latest in orthopaedic treatments and techniques. You are welcome to attend these lectures in person on our campus or by joining us online. Please see reverse for schedule.

IN PERSON
Directions and map: http://tinyurl.com/mqfmzfk
Parking: Visitor parking is available on campus at the P1 (Cancer Center), P2 (Taubman Center/University Hospital), P4 (C.S. Mott Children’s/Von Voigtlander Women’s Hospitals) and P5 (Cardiovascular Center) structures. Pull a parking ticket upon entering a structure and pay the cashier to exit.
