Epilepsy Research with Drs. Jack Parent & Lori Isom

About the Frontier Seminar Series
Throughout Michigan Medicine, there are remarkable stories of discoveries and achievements in basic science, clinical, and translational research that need to be shared.

The Frontier Seminar Series, hosted by Bishr Omary, Special Advisor on Research to the Dean, provides a platform for storytelling.

August 19
12 Noon
Kahn Auditorium
Biomedical Science Research Building (BSRB)

Catered reception follows
