

GASTROENTEROLOGY UPDATE:

A Case-Based Approach to Common GI Problems

Friday - Saturday, October 7-8, 2016

The Dearborn Inn, A Marriott Hotel • Dearborn, MI

LOCATION

The Dearborn Inn, A Marriott Hotel
20301 Oakwood Boulevard
Dearborn, MI 48124
Phone: (800) 228-9290
Fax: (313) 271-7476
www.dearborninnmarriott.com

Built on the grounds of Ford Motor Company in 1931, The Dearborn Inn sits on 23 beautifully landscaped acres. In a setting reminiscent of traditional American hospitality, the hotel boasts 229 spacious guest rooms and suites furnished with luxurious bedding. A unique array of accommodations include the Main Inn, two Colonial lodges and five Colonial guest homes. Amenities include an on-site fitness center, several nearby golf courses and two eateries serving classic American cuisine.

Nearby, local attractions include:

- The Henry Ford: America's Greatest History Attraction, www.thehenryford.org
- Automotive Hall of Fame, www.automotivehalloffame.org
- Greenfield Village, www.thehenryford.org/village

M-LINE

M-LINE is a toll-free number for referring physicians and their staff seeking access to clinical services and faculty at the Health System. M-LINE physician representatives work closely with personnel across the Health System to provide efficient, personalized service and will stay on the line with your call until your request is met to your satisfaction.

One number, 24 hours a day, 7 days a week, providing:

- Physician-to-physician consultation
- Appointment scheduling
- Hospital-to-hospital transfer requests
- Inpatient status update
- Laboratory, test, and procedure results

M-LINE (800) 962-3555

DEPARTMENT OF INTERNAL MEDICINE Division of Gastroenterology

www.med.umich.edu/gi

The Division of Gastroenterology is one of the largest gastroenterology practices in the country and is a leader in the prevention, diagnosis, and treatment of diseases of the gastrointestinal tract and liver. Our 60-plus physicians are experts in the diagnosis and treatment of all diseases of the gastrointestinal system, from simple to complex, including those of the esophagus, stomach, small intestine, colon, rectum, liver, gallbladder, pancreas, and biliary tract.

In addition to being leaders in clinical care, our faculty are also leaders in their respective areas of research, which span such varied interests as the role of peptides in the brain-gut interactions in functional bowel diseases to innovative treatments of viral hepatitis and liver cancer.

The Gastroenterology Division has created the following subspecialty clinics to better direct our clinical expertise to meet the needs of referring physicians and their patients:

CLINIC LOCATIONS

A. Alfred Taubman
Health Care Center
(888) 229-7408

Briarwood Health Associates
Building 5 - Ann Arbor

Veterans Affairs Ann Arbor
Healthcare System
(734) 845-4341

PROGRAM OBJECTIVES

At the conclusion of the conference, participants will be able to understand and/or implement:

- potential risks associated with chronic PPI use.
- evaluation of common esophageal motility disorders.
- latest management strategies for gastroparesis.
- the diagnostic evaluation for suspected celiac disease.
- breath testing for the diagnosis of small intestinal bacterial overgrowth.
- recent FDA approved drugs for the treatment of IBS.
- the diagnosis and management of familial colon cancer syndromes.
- the diagnosis and management of dyssynergic defecation.
- proper preparation strategies for patients on chronic anticoagulation undergoing endoscopy.
- the role of pancreatic divisum in pancreatitis.
- the diagnosis and management of sphincter of oddi dysfunction.
- latest treatment strategies for chronic hepatitis C.
- management strategies for alcoholic hepatitis.
- health maintenance considerations for IBD.
- the latest surgical strategies for IBD.
- new treatment strategies for Crohns disease.

TARGET AUDIENCE

This course will be of interest to primary care physicians, general practitioners, internists, practicing gastroenterologists and GI fellows and residents. Physician assistants, nurses and nurse practitioners providing primary care for gastrointestinal disorders are also encouraged to participate.

ACCREDITATION

The University of Michigan Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Michigan Medical School designates this live activity for a maximum of 11.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Applications have been submitted to the American Academy of Family Physicians and the American Osteopathic Association. Determination of credit is pending. Other credits by specialty may apply.
