It is time to get ready for the 5th annual Biomedical Sciences Golf Outing. Mark your calendar for October 2nd and invite your friends and family to join us for a Sunday morning on the links at Lake Forest Golf Club.

Open to faculty, staff, students, postdocs, etc...in the Biological/Biomedical Sciences. Format of the outing is 18-hole scramble or “best-ball” as a means to increase speed of play and reduce any stress/pressure about individual performance. As always, it is strictly for fun and we encourage players of all abilities to join us!

Please RSVP as soon as you can but by no later than September 19th and send an email to Nick Griggs (nwgriggs@gmail.com) with your name and email address (and the names/addresses of all other people in your group). As was the case in the past, you can sign up as a single, twosome, threesome, or complete foursome. We will do our best to form groups of four from the incomplete groups who sign up, but please let us know if you have a preference of playing partner(s).

The cost per person is again going to be $48, which is a great deal for 18 holes of golf, a cart, practice facilities, lunch, and prizes. We will collect payment via cash, check or PayPal (the preferred method). Please make the check out to Nick Griggs or send money via PayPal to nwgriggs@gmail.com. **Money will be due by Monday, September 19th.**

Don’t hesitate to contact one of us organizers if you have any questions.
