

# Infertility Support Group

**Come join us for our monthly support group where you can:**

- Learn from others how to manage the stressors related to infertility
- Feel less isolated and more supported/ empowered.
- Receive validation for your emotional concerns such as anger, sadness, disappointment, frustration, guilt, etc.

**Facilitated by:**

Lindsay Brennan, LMSW

**Sponsored by:**

University of Michigan Center for Reproductive Medicine

**Please contact Lindsay at the email below to learn when and where the support group will be held.**
