**Mercy Care – Atlanta, Georgia**

*Med Peds – Outpatient*

**Atlanta 1115 1116**

**Mercy Care** - The mission of Mercy Care is to serve the poor, marginalized, and underserved patients and clients in Atlanta. Sponsored by the Sisters of Mercy and Saint Joseph’s Health System, Mercy Care was created in 1985 by volunteer nurses and physicians and grew from modest beginnings into a "medical home" that provides an efficient, integrated system of primary health care, education and social services reaching thousands of poor, uninsured, underserved, and homeless patients and clients in Atlanta each year. We operate five fixed-site Mercy Clinics: Downtown located on Decatur Street, Buford Hwy, St. Luke’s Episcopal Church, The Gateway Center for Homeless Services and The City of Refuge in Vine City. Six other clinics are conducted in community partner facilities or onboard our mobile health coach.

At Mercy Clinics Downtown, Buford Hwy, and City of Refuge we provide preventive and primary dental services to our patients and clients including homeless and HIV-positive individuals. We offer resource referral, supportive services, case management and mental health assessment throughout our sites to include mobile and fixed clinics, homeless shelters, client neighborhoods and various other sites. We also provide health education programs on a variety of topics including prenatal care, parenting and child education to Atlanta’s Hispanic community.

**Mercy Medical Center – Clinton – Clinton, Iowa**

*Med Peds – Outpatient*

**Clinton 181**

**Mercy Medical Center – Clinton** is located on the bluffs of the Mississippi River and is a faith-based, full-service community health system serving residents in Clinton, Iowa and surrounding communities in eastern Iowa and northwestern Illinois. With a history dating back more than 120 years, Mercy - Clinton is proud to offer the latest in health and medical services with a caring, compassionate and personal touch.

Mercy – Clinton provides a broad range of services to meet the health care needs of residents in the bi-state area. With two main campuses, Mercy operates 358 licensed beds, including 183 long-term care beds and a 23-bed dementia care unit. Services include a Radiation Oncology Center in affiliation with the University of Iowa Hospitals and Clinics, two cardiac catheterization labs, renal dialysis and a trauma center. As the areas largest employer, Mercy – Clinton’s staff of nearly 1,000 employees are dedicated to providing excellence in patient care. Helping to care for the health needs in the community is the medical staff of nearly 60 physicians.

IHA demonstrates that it cares by bringing safe, high-quality, comprehensive and affordable care to its patients.

St. Joseph Mercy Ann Arbor/ Mercy Christian Health – Ann Arbor area, Michigan

**Med Peds – Medical Director**
- Ypsilanti 1229

Mercy Christian Health is a new faith-based interdenominational charitable non-profit organization that will provide healthcare services starting in late 2017 or early 2018. The mission of Mercy Christian Health is to show and share the love and mercy of Jesus Christ by providing compassionate, affordable and excellent healthcare to our community. Mercy Christian Health will demonstrate Jesus’s compassion and God’s love by welcoming and respecting each individual. The practice will espouse a holistic approach to patients, believing in the importance of mind, body, and spirit to an individual's health.

Mercy Christian Health will offer primary healthcare services for people of all ages. This includes preventive care, care for chronic diseases, and same-day or next-day visits for illnesses and minor injuries. Behavioral health services will also be available on site, helping patients and their families to address stress, anxiety, depression, and school or family troubles. Counselors will also help patients to make lifestyle changes to improve health needs such as obesity and diabetes.

St. Joseph Mercy Ann Arbor (SJMAA), a member of seven-hospital Saint Joseph Mercy Health System, is an academic teaching hospital and tertiary care center. The hospital, with 529 licensed beds, is situated on a 341-acre campus in the Ann Arbor area. Saint Joseph Mercy Health System is a member of Trinity Health, one of the largest Catholic health care organizations in the United States. Trinity Health is based in Livonia, Michigan.

Its staff of physicians, nurses and health care professionals have extensive training in a variety of specialty or tertiary care programs, including cardiology, oncology, obstetrics, orthopedics, surgery, Level II trauma, physical medicine and rehabilitation, women and children's, and senior health services. SJMAA is home of the renowned Michigan Heart & Vascular Institute at Saint Joseph Mercy Health System, one of the top three cardiovascular programs in the state of Michigan based on volume. In addition, SJMAA is designated by the National Cancer Institute as a Clinical Community Oncology Program, or CCOP, one of only 50 programs in the United States. St. Joseph Mercy Ann Arbor provides medical residency training programs in internal medicine, transitional, surgery, OB/Gyn and emergency medicine for 130 residents.
