Outpatient IM, Employed
Columbus, Ohio

Mount Carmel Health System – one of the largest health systems in central Ohio – has a need for an Outpatient Internal Medicine physician near downtown Columbus. This established practice is on the Mount Carmel West campus. This campus is undergoing renovations to be an outpatient hub for the community.

Our hospital-employed position could be an ideal fit if you are looking for a diverse patient base with strong earning potential. Additional benefits include loan repayment and work/life balance.

Join a growing, physician led organization. Contact Tracie Ambler, Mount Carmel Physician Recruiter, at 614-946-4335 or tambler@mchs.com for more information.
