PHYSICIAN (MD) TO WORK IN SKILLED NURSING FACILITIES AND LONG TERM CARE FACILITIES

SEATTLE, WASHINGTON

SEEKING IDEALISTIC MD

WE ENCOURAGE SPENDING THAT EXTRA TIME WITH EACH PATIENT..!
WE GIVE BONUSES TO THOSE THAT PROVIDE QUALITY PATIENT CARE..!

This is a ground floor opportunity for a Physician - Company is a fast growing entrepreneurial company, looking to build a national presence in the next 36 months in the Seattle area. Company provides outstanding post-acute and long-term care in various skilled nursing facilities across the greater Seattle area.

Primary focus is the quality of patient care. Patient encounters are capped to ensure quality is achieved. The aim is to help patients manage health issues, reduce hospital readmissions, and support patients and families in achieving a higher level of independent living. The company is driven by the goal of providing the type of care that we would want for our families and ourselves. This is a physician office that now has a Venture Capital firm working with them to help them expand – incoming MD will be offered business package as well which will be discussed at interview.
