

## Beaumont Health IM Opportunity

I hope this email finds you well. I am reaching out to you to see if you have any 2019 graduates who are interested in pursuing primary care opportunities after graduation. We have an Internal Medicine opening in Grosse Pointe and Troy! These are full-time, outpatient opportunities, but you can round on your patients if you choose. If you know any physicians who might be interested in learning more about these positions, please feel free to forward my email along.

If you have any questions, please don't hesitate to contact me!

Thank you,
