

Internal Medicine Opportunity

CHAMPAIGN, ILLINOIS

Christie Clinic in Champaign, IL, a physician-owned, physician-led, multi-specialty group is seeking providers who desire an autonomous environment offering leadership, team collaboration, and to be instrumental in the direction of the group.

Christie Clinic's physicians and staff are known throughout the community for using a truly personal touch with patients. They believe a doctor who takes the time to listen and understand, makes all the difference in the world.

Their practice model and patient care is the reason behind their success as one of the largest multi-specialty groups in the state of Illinois. Christie Clinic has been serving the community since 1929 and continues to thrive.

Christie Clinic is seeking a BC/BE Internal Medicine Physician to join their primary care team.

- Diverse regional population of 400,000
- Outpatient practice
- High earning ability including income guarantee plus productivity and ancillary revenue streams

Christie Clinic has over 40 departments and 35 specialties and can take care of virtually every aspect of a family's health. The clinic continuously invests in new technology to provide its professionals with the tools they need for diagnosis and treatment.

Champaign-Urbana, Illinois is culturally rich and home to the Big 10 University of Illinois. With a thriving downtown, an extensive park system, family-friendly events, and activities for all tastes, Champaign-Urbana, IL has much to offer!
