**Seeking Internal Medicine Physicians**

The HCA MidAmerica Division is a multi-market healthcare network that spans Kansas, Louisiana, Mississippi and Missouri. The network includes 15 hospitals, outpatient centers, physician clinics, and eight ambulatory surgery centers serving an array of urban, suburban and rural communities. The physicians, nurses, licensed allied health professionals and support staff who comprise the HCA MidAmerica Division team are dedicated to providing quality, compassionate care and improving the health of their communities.

At HCA, we believe in giving physicians what they need to succeed. By continuing to build a strong dedicated community of care, we can help deliver even better patient outcomes. We believe in bettering both the lives of our patients and our physician partners. We deliver this through on-time resources, a collaboration driven culture, investing in physicians’ careers including professional development, leadership opportunities and access to tools that help grow their practices. Above all else, we are committed to the care and improvement of human life. Together, we champion the practice of medicine for a healthier world.
