## Hospitalists – Wisconsin

**Marshfield Clinic - Rice Lake** in Rice Lake, Wisconsin is seeking a Hospitalist to join an established Hospitalist practice at Marshfield Medical Center – Rice Lake. Shifts are 12 hours with 2050 hours expected annually (about 171 shifts). Scheduling is flexible depending on the local team agreements (i.e. 7 on/7 off, 5days/5nights, other). Moonlighting shifts are available. Average census of 12-15 patients, adult only with ICU patients transferred. Specialty support and consultations done throughout the Marshfield Clinic System.

**Marshfield Clinic - Minocqua Center** in Minocqua, Wisconsin is seeking an Internal Medicine or Med/Peds physician to join their Hospital Medicine department at Howard Young Medical Center. The daily census is between 20-40 patients so each Hospitalist sees about 12-15 patients per day. All patients are adult general medicine cases. If Med/Peds trained you will have the opportunity to cover ICU neonatal resuscitation.

**Marshfield Clinic - Marshfield Center** in Marshfield, Wisconsin seeks Internal Medicine and Family Medicine trained physicians to join a large inpatient practice. The scope of patients on the Hospitalist Service is broad ranging and includes medical consultation for surgical and surgical subspecialty patients. The scope does not include Critical ICU admissions. The Hospitalist Model is predicated on the concept of “shift work.” A full-time new associate physician hospitalist is expected to work 195 shifts annually. The duration and timing of these shifts will vary. Each physician also participates in an emergency "backup" plan for increased service load or unexpected absences.
