

I am representing a permanent Med-Peds opportunity in beautiful Southern California joining a growing team of physicians for a prestigious hospital system. If you could pass along this information to your 2019 graduating Residents, I would love the opportunity to set aside some time to talk to those that may have interest.

- Earning Potential above MGMA 75th%
- Academic appointment, competitive compensation and benefits package
- "#1 Public University in the Nation" and #7 "America's Best Hospital Honor Roll" -U.S. News & World Report
- #9 "2018 World Reputation Ranking" -Times Higher Education
- Full time, 3-day or 4-day work week options, ability to pick up urgent care shifts for extra hourly income if desired
- Take advantage of staying outdoor year-round with perfect weather - summer highs at 85 degrees, winter lows at 50 degrees
- Enjoy 75 miles of breathtaking coastline
- Diverse culture with access to world-class dining and shopping, gallery exhibits, theater, music venues, professional and collegiate sports and more

Sincerely,

Lauren Cunningham
