

UCLA is seeking passionate, skilled, Med-Peds physicians to join a well-established clinic in the LA area. As the Program Coordinator I hoped you might share my information with anyone you feel would be interested in this position. We are currently accepting applications from both 2019 and 2020 graduates. I really appreciate your help. Please find a brief summary of the position below.

Have a wonderful day!

-
- 100% outpatient practice in one established location
 - No required after-hours phone call
 - Flexible scheduling
 - Daily schedule with built in administrative time
 - Excellent base pay with very obtainable bonus structure and outstanding benefits
 - Full subspecialty support ranging from Cardiology, Endocrinology, Orthopedics, Rheumatology, OB, GYN, Neurology and all other relevant specialties
 - Immediate ramp up available
 - Opportunity to teach medical students and residents with no research requirements

In addition to enjoying an excellent mix of income and quality of life, you will have the option to live in some of the most sought after suburbs of northern Los Angeles or live in the city itself. These positions will fill quickly.

If interested in learning more, please reply with your CV and the best time to contact you. If you are seeking a different position, please provide your parameters and I'm happy to conduct a search on your behalf.

Thanks,
Ally Geller
