

Heather Cadena, MD
Elise Guido, CPNP

January 15, 2019

Dear Michigan Medicine Pediatric Attending Physicians, residents and staff,

I am reaching out in search of a board edible/board certified pediatrician looking to join an established and rapidly growing practice in Trenton, Michigan (30 minutes from Detroit). I am offering a competitive salary and a supported and fulfilling work environment.

Watch Us Grow Pediatrics works hard to provide the individual and personal attention that we want for our own families. Our office is small and connected to the downriver community. We have two providers. I trained at Children's Hospital of Michigan and have been in practice for 14 years. Elise Guido, CPNP trained at Children's Hospital of Michigan and received her CPNP training at Wayne State University. She has been at our practice for two years. Please check out our website for a great overview of our practice.

Applicants are welcome to reach out with contact information below or email at watchusgrowpeds@gmail.com.

Heather Cadena MD
