

Illinois Primary Care Quality of Life Locum Tenens/Locums to Perm

Thank you for taking the time to review this opportunity. My name is Nicole Erickson, a Physician Recruiter with Pacific Companies. We are a nationwide, full service, retained recruiting firm for both locum tenens and permanent opportunities. This is just one of the many opportunities we are currently representing. If you or someone you know would like to be considered, please, let me know what a good time and number to discuss your search parameters would be so that we ensure we find the right position for you.

The Primary Care opportunity near St. Louis:

-Location: Southern Illinois, 1.5 hour drive to St. Louis, MO

-Duration: ASAP- On-going, for 90+ days, per your availability (will consider extension and/or conversion to permanent)

-Schedule: Monday-Friday, 8a – 5p

-no call, no weekends

- Patients: Must be able to see all ages
- Patient Volume: 15-20 patients a day
- Rates: Negotiable depending on experience, availability, proximity, and requirements of the assignment
- Health System: Standalone clinic, affiliated with a multi-institutional health care system that sponsors 14 hospitals across Illinois and Wisconsin
- Community: Named one of the best small towns in America, serves as a regional hub for a significant population, the medical community benefits from a broad influx of people seeking services, resulting in world-renowned specialist located in the community. Known to attract outdoor enthusiasts with lakes, camp grounds, picnic facilities, fishing, boating and water activities nearby.
- Required:** Board certified or board eligible, Active Illinois license, able to credential in one week or less- no malpractice due to the urgent need

Call or email for more details
