Dear Program Director,

We are currently hiring an internal medicine physician for our primary care group in Virginia Beach. I am including some details about the position below. If you would please forward this to your residents who are completing their training in 2019, I would be grateful. If you have any immediate questions, please do not hesitate to reach out.

Thank you in advance!

**Primary Care Opportunity in Virginia Beach**

- Busy private practice with 4 physicians and 2 advanced practitioners, efficiently managed by a tenured staff
- Hiring due to the relocation of an established physician--new physician will walk into an immediate patient panel
- Offering competitive compensation and benefits, including partnership
- You can view the practice website [here](#)

**About Chesapeake, Virginia:**

- Suburban community in the Hampton Roads/Tidewater region, adjacent to the Newport News–Norfolk–Virginia Beach coastline
- Driving distance to Charlottesville, Richmond, Washington, D.C., and Williamsburg
- Situated near Norfolk Naval Base and 22 miles of waterway for fishing, kayaking, paddleboarding, and water sports
- Over two million residents, two local airports, a thriving economy, and some of the best schools in the state of Virginia
- Multiple colleges and universities including Christopher Newport University, College of William & Mary, Eastern Virginia Medical School, and Old Dominion University

With over 500 locations, Privia Medical Group has other primary care opportunities available in D.C., Georgia, Maryland, Texas and Virginia. To view a full list of our current openings, visit our website [here](#).

If you are interested in learning more, please email [providercareers@priviahealth.com](mailto:providercareers@priviahealth.com) and we can coordinate a time to connect via phone. If you can, please include a copy of your CV. I look forward to hearing from you!

Sincerely,
Devin
