

# Inspiration can happen anywhere and take you everywhere.

Sandra P.  
Hiker and Fitness Advocate  
Physician

Let's face it. You want to provide your patients with the best possible care, but you are also juggling a busy family and your own life too. At OptumCare, you can do both. We're the fastest growing part of the UnitedHealth Group family of businesses and we're putting physicians at the center of care and supporting them with the tools they need to focus on quality and holistic patient outcomes. It's an opportunity to excel on a team that prizes healthier lives and provides the support and resources so that the focus can be on what's important. What could be better than that? You'll end up being the best doctor you can be and still have time for life. This will undoubtedly lead to **your life's best work.**<sup>SM</sup>

# Join a team that's discovering new ways to help the health system work better for everyone.

## Primary Care Physician Careers at OptumCare.

More impact is within your reach. You can take care of patients in a place where support is the norm and collaboration drives treatment plans. OptumCare and UnitedHealth Group are at the forefront of value-based care with a business model of patient-centric care with physicians leading care teams focused on their patients' total well-being rather than productivity. We make it easier for physicians with superior care management software and innovative analytical tools, leaving you more time to do what you do best.

- Use innovative resources for your patients
- Enjoy more flexibility with work hours
- Lead a team who can manage multiple administrative functions

It's meaningful change on a huge scale. And it's a chance to practice at the top of your license while enjoying work/life flexibility. Join us. Take advantage of the flexibility and opportunity that exists for personal and professional development across our network of physician-led care delivery organizations and get the support you need to be successful and do **your life's best work.**<sup>SM</sup>
