Exceptional Internal Medicine and Hospitalist Opportunities in Duluth, Minnesota

St. Luke’s Internal Medicine Associates is seeking physicians to join a well-established, hospital-employed practice located in Duluth, MN. Flexible opportunities include the ability to practice traditional internal medicine, outpatient only, or hospitalist work.

**Position compensation and highlights include:**

- Very competitive salary and signing bonus
- Excellent benefits plus full relocation
- 4 weeks vacation and 2 additional weeks for CME, plus CME stipend
- Hospital-employed position
- Full support of a nocturnist service
- Clinic attached to the hospital
- ALL positions are daytime only; Hospitalist position is 21 weeks per year

St. Luke’s health system includes a 267-bed hospital in Duluth that houses the Regional Trauma Center, and a critical access hospital in Two Harbors. The DNV GL-accredited system also includes a Regional Cancer Center, Regional Heart Center, 14 primary care clinics and 29 specialty clinics. Nestled on the shores of Lake Superior, Duluth is a regional medical, cultural, entertainment, educational, banking and retail center.

We’d love to tell you more!
