

Hello,

Yale New Haven Health (YNHHS), the largest and most comprehensive healthcare system in Connecticut, is inviting **Internal & Family Medicine** trained physicians to join established **Primary Care** practices in CT and RI or a **Hospitalist** service in CT.

We are proud to offer:

- Flexible schedules to ensure a quality work/life balance
- Highly competitive compensation & comprehensive benefits package
- Loan reimbursement for some primary care locations
- Leadership & Academic opportunities available
- A collegial & supportive environment with access to world-class specialists across the continuum of care
- Full suite of practice mgmt. services so you can focus on patient care

YNHHS includes 5 hospitals, several specialty networks and **Northeast Medical Group**, a non-profit medical foundation with over 800 community-based and hospital-employed providers.

About the Location:

- Enjoy all four seasons in beautiful Connecticut or Rhode Island
- Wonderful family-oriented residential communities
- Some of the best school systems in the nation
- Quick access to NYC & Boston with fabulous cultural opportunities, theater, orchestra, museums and restaurants

To learn more, contact Sophie.Kotomski@ynhh.org or call 203-502-6537.
J1 waivers not currently available.

Join a world-class system that provides high quality care
