Hello,

Yale New Haven Health System (YNHHS) is the largest and most comprehensive healthcare system in Connecticut. YNHHS includes five hospitals – Bridgeport, Greenwich, Lawrence + Memorial, Westerly and Yale New Haven Hospitals, several specialty networks and Northeast Medical Group (NEMG), a non-profit medical foundation with several hundred community-based and hospital-employed physicians.

NEMG has multiple opportunities for Internal and Family Medicine trained physicians in our community primary care as well as with our Hospitalist programs. We have locations across Connecticut in Fairfield, New Haven, Middlesex and New London Counties as well as Westchester County, New York and Washington County, Rhode Island. We would be pleased to learn of any potential candidates in your training program who may have an interest in these locations.

We are proud to offer:
- Flexible schedules to ensure work/life balance
- Leadership opportunities
- Academic opportunities
- Loan Repayment assistance for some primary care locations
- Collegial and supportive environment with access to resources and specialists across the continuum of care
- Full suite of practice management services that allow physicians to focus on patient care
- Employment model with competitive compensation with excellent benefit and retirement plans including a pension and matching 403B, vacation, CME, malpractice including tail coverage and more!

For more information, please contact our Staff Physician Recruiter at Sophie.Kotomski@ynhh.org or visit our website for a list of all current physician positions at https://www.northeastmedicalgroup.org/careers.aspx

Thank you.
