BC Internal Medicine-Pediatric physician job in Wisconsin Suburb!

Job Order #: 4671900
Description: Due to the continued growth of the practice and the relocation of a provider, there is an immediate opening for an internal medicine/pediatric physician.

The new physician can expect a fairly equal division of time between internal medicine and pediatrics.

Benefit from a competitive salary, full range of benefits including paid malpractice, relocation assistance and more possible!

Located in a desirable suburban area near Milwaukee with fabulous recreational areas, low crime, great schools, very affordable cost of living and easy access to multiple major cities provides an excellent quality of life.
