Your application to the Medical Education Scholars Program must include:

From the applicant:
1. A cover letter identifying your name, title, and contact information
2. A one-page statement describing
   • why you are applying to MESP
   • your role in health professions education at the University of Michigan
3. A one-page proposal for an education-related Independent Project you intend to carry out during MESP
4. A signed copy of the MESP Key Dates and Attendance Policy document
5. A copy of your CV

From your division/department head:
1. A letter supporting your participation in the Medical Education Scholars Program
   • This letter must include an affirmation of release time for attendance at the weekly Tuesday afternoon sessions from October 4, 2022 through June 6, 2023
   • The letter should also state whether the department will provide funding for the Scholar to participate in MESP. The program cost for 2022-2023 is $3000.
   • Be sure to share your education research project proposal with your chair

Application Timeline:
March 1, 2022 – Application period opens
May 6, 2022 – Application period closes
June 17, 2022 – Application decisions announced

Please submit your application materials via email: MESP-Admin@umich.edu

If you have questions, please contact Dr. Alexandra Vinson, MESP Director (ahvinson@umich.edu) or Dierdre Jeske, MESP Program Coordinator (dierdre@med.umich.edu)
